Re: Application Number: 10/541,676
Attorney Docket No.: 2923-717

Dear Sirs:

We received a notice from the United States Patent and Trademark Office ("PTO") dated July 7, 2006 which stated the Power of Attorney to this firm for application number 10/541,676 had been revoked by the assignee. Further investigation via Public PAIR indicates that Power of Attorney has been granted to another firm. We have confirmed with our client that no request for a change in the Power of Attorney has been filed. Additionally, there is no record of a request being filed in Public PAIR and a call to the PCT Help Desk confirmed there is no record of a request for a revocation or change in Power of Attorney having been filed. For these reasons, we believe the PTO has made this change in error and request that the error be corrected and the Power of Attorney restored to this firm.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'Robert B. Murray', with a long horizontal flourish extending to the right.
